**Dated March 20, 2004**

The Nihon Keizai Shimbun dated March 20, 2004 reported on the interim results for the 6 month period ending March 2004, but our accounting for the period ended March 2004 is still underway and we do not have a firm estimate for completion. The performance forecast will be announced once it is clear.

Cumulative consolidated net sales to January 2004 was 7,285 million yen (an increase of 64.6% over the previous year).

Note: The net sales for January shown in this report are preliminary figures not subject to auditing by an auditing firm, and may differ from the figures in the settling of accounts.
